**Project Description/Justification:**

Federal (HUD) and State match grant funds allow AHFC to apply for grants that target housing needs of low income and special needs groups such as senior citizens, persons with disabilities or the homeless. AHFC will also apply for energy-related and housing improvement grants as they relate to public housing.

Previous awards include crime prevention, crime reduction and substance abuse education programs in public housing and self-sufficiency programs that help public housing assisted families attain economic independence. Examples of previous grantors include the Robert Wood Johnson Foundation, Dept. of Education, and U.S. Dept. of Health and Human Services.

This project also enables AHFC to receive additional housing assistance from HUD in the form of Section 8 vouchers. Funds are frequently “passed through” to local non-profits or government agencies to deliver appropriate services throughout the state.

**Projected Outcomes**

- 1) Meet match requirements for federal grants such as:
  - Family Self-Sufficiency Coordinator;
  - Jobs Plus Initiative Grants Program;
  - Elderly/Disabled Service Coordinator Program;
  - Youth Homelessness Demonstration Program; and,
  - Resident Opportunities and Supportive Services Service Coordinator.
- 2) Provide services through grants and contracts with non-profit agencies that will fulfill educational and economic improvement needs of low-income housing clients and their families.
